WORKING PARENTS – Extended Entitlement (15 or 30 hours)

Parents of children aged between 9months to 4 years may be entitled to up to 30 hours of funding towards their childcare costs.

Parents must apply for these entitlements through the government digital childcare service. HMRC is responsible for checking whether a parent is eligible and issuing an 11-digit eligibility code. Unlike the universal entitlement, which only has an age criterion, parents also need to meet income requirements in order to qualify for the working parent extended entitlement. Parents should be encouraged to apply to HMRC the term before their child meets the age criterion in order to ensure they can access a place at the start of the term after their child's second or third birthday. If not, they will need to wait until the following term to access their 15 or 30 hours place. In order to offer the hours Ringle Rainbow Nursery will have to validate the 11-digit code with Kent County Council. To do this we will need the code and parent's national insurance numbers.
